Foreword from the Author

Eric “Rowdy”

“Lemme tell you one thing about my life:
it’s weird”

To say that the last few years have been crazy is an understatement for many of you reading this. Chaos has overtaken order in many facets of our lives and things are “hectic” to say the least. This guide almost didn’t happen in time because of all of that chaos.

But I constantly return to this band because of the magic I find in the fanbase, the live experience, and the music. And that magic is the reason this guide really took shape.

This effort took over 80 community responses from readers, countless hours of volunteer time, 3 graphic designers (and even more community artists), and endless communication with venue staff to deliver the information contained in this guide.

We hope our labor of love becomes a useful resource for your trip through the live Gizzverse, from what songs were last played in a given city to where you can find a killer late night snack after the show.

A lot went into this book and I could not have done it without the great people of the KGLW.net team:

Who We Are & What We Do

KGLW.net started in October of 2022 after our founders saw the band, wanted to check show stats, and did not have a great site to do so. Now, over 18 months later, we have had hundreds of fans contribute their knowledge, skills, time, and passion into making our site the most complete fan site for all things KGLW.

Setlists:

KGLW.net contains the most up-to-date catalogue of every King Gizzard and The Lizard Wizard live show, including detailed and annotated setlists which provide in-depth stats for you to enjoy. KGLW.net allows you to:

- [Create an account](#) to track your stats and submit show reviews
- [Search for show stats](#) by location, tour, & song
- Find teasers, debuts, banter, and bustouts
- Read through our [notable versions](#), or performances that stand out from the rest
- Sort songs by date played or track length

Blog:

Our blog [The King Gizzette](#) was introduced two months after the site's launch and has been home to tons of different write-ups from KGLW.net volunteers. These include [show recaps](#), [interviews](#), [tape recommendations](#), [community spotlights](#) and [Gizzverse deep dives](#). It's also home to updates on our site and our preservation efforts, such as the [discovery of the second oldest fully recorded show](#).

Gizzverse Guide:

The beginners guide to KGLW This is not the first or last dedicated guide for getting into King Gizzard. It was originally developed on the Boiler Rhapsody music blog and discretely hosted there while sourcing collaborators. Once Boiler Rhapsody's editor/author found kglw.net, it was quickly realised that both projects were suited for each other and merged.

Song Histories:

The [song histories project](#) may be the most comprehensive guide to the band's music that has ever been published. Since 2010 King Gizzard has released hundreds of songs, yet the stories behind them are often lost or scattered across various interviews, documentaries, and other sources. Site writers TimelandIsWacky, W.B.T.G. Slinger, and RattleRattleRattle took up the task of preserving that history by writing detailed pages for every song the band has written or performed. Our history pages go over every bit of info we were able to find, including new information that had yet to be documented anywhere else on the internet. To read a song history, [click the song](#) that you want to learn about and then the "history" tab.

KGLW.net Forum:

[Our forum](#) has been running since the summer of 2023. On it are threads for a bunch of relating topics including (but not limited to) Gizzard news, ticket exchanges, related artists, and album discussion. The forum also hosts live threads for King Glzzard shows where you can join in and discuss as the band plays.

Han-Tyumi:

[Han-Tyumi](#), created by volunteer developer cwar, is an OpenAI-powered chatbot which is all about King Glzzard. Start by choosing if you have an "interview question" or a "setlist question" and have a chat with our artificial intelligence overlord! Source code and technical details can be found on [Han-Tyumi's blog post](#).

The Book – Tour Guide

2024 North America

In this guide, you'll find everything you need to have the best time in the city of your choice. We polled locals, reached out to venues, and did our own research on the best each city has to offer. Here you'll find advice about the venue, city specific stats on music, local attractions, places to eat, "must-sees", and so much more. All in the name of spreading the best places that deserve your time (and money) on tour. Like some sort of metallic Michelin man, let Han-Tyumi be your guide on this adventure!

Make sure to be follow along on our our socials to stay up to date! For those following along on Couch tour, listen along with our brand new Mixlr page kglw-net.mixlr.com and join the Live Show Discussion on the [Forum](#) and Reddit.

@gizzlot

General Tour Tips:

- If you see something, say something. Alert security if someone is overstepping their boundaries, ignoring someone's consent, or has had a little too much anything..
- If you're going to the mosh pit, brush up on some [mosh pit etiquette](#) to ensure that everyone is safe and having a good time. We also suggest you read [how to stay safe in a crowd crush scenario](#).
- Poster designs, quantities, and details are announced the day of the show. Usually there is a standard poster and a far more limited foil edition. Both typically sell out within thirty to sixty minutes after the doors open. We suggest you get there at least an hour early if you're looking to grab a poster (especially a foil).
- Looking for last minute tickets? [CashorTrade](#) has a bunch of tickets at face value, sold directly by fans. They're also running a [giveaway](#) including tickets for 9/8 and a T-shirt and sticker pack provided by us! August 30th is the last day to enter so don't miss out!
- Bring earplugs to avoid hearing loss. Noises above 100 db can alter your hearing after fifteen minutes.
- Free Narcan is being provided by the nonprofit [This Must Be The Place](#) for the entire US tour. Please donate if you appreciate their work!
- More can be found on our [Anatomy Of A King Gizzard Show blog post](#).

WELCOME TO The Anthem

August 15th, 2024

901 Wharf St SW, Washington, DC, 20024

Venue Info & Tips

The Anthem is a three-floored venue with a modern "club theater" esthetic that backs onto the Wharf, an area of high-end restaurants and hotels. GA standing room only on the first floor with reserved balcony seating on the 2nd and 3rd floors. Smoking area on the 2nd floor. No outside food or beverage and no reentry.

Local Rundown

There's a shared lot available at the venue but locals recommend taking the Metro to the Green line Waterfront Station or parking near the National Mall, enjoying the day, and then taking the walk over at show time. Weed is in a legal gray area in DC: purchase smartly.

Local Attractions

Our Nation's capital has plenty to see! Explore the National Mall a short distance north of the venue and visit the endless historic sites and museums. Free sites include the various memorials (Lincoln, Washington, etc.), all the Smithsonian Museums, and the museum of Abstract Art. If you're looking for something close to the venue, U-Street is the place to party (before and after the show) and Union Market is great for shopping, browsing art, and dining on cuisines from all over the world.

Food & Drink

Union Market features many restaurants in one location and is relatively close to the venue (sixteen minute drive away). Falafel Inc. can be found across DC and is worth a shot. Tiki TNT is a Polynesian-themed bar that's only a two minute walk away from The Anthem.

WELCOME TO Forest Hills Stadium

August 16th & 17th, 2024

1 Tennis Pl, Queens, NY, 11375

Venue Info & Tips

King Gizzard is returning to Forest Hills Stadium for two marathon shows at the 13,000 capacity venue. Originally constructed for tennis, the stadium is outdoors and exposed; locals recommend dressing for the weather. Golden apple tickets will get you early access to the GA section of the venue if rail riding is your thing.

Local Rundown

Subway. subway, subway. NYC is notoriously car unfriendly, so find a commuter train stop outside the city, park and take the train in. Or take the train from your city lodging.

Local Attractions

There are so many things to do in NYC; let's talk about the free. Central Park is a must see for first-timers and the Queens Botanical Garden is free on Sunday mornings. The Staten Island Ferry is free and will take you RIGHT past the Statue of Liberty.

King Gizzard has a long history in the city and state of New York, having had a residency at Baby's All Right in Brooklyn before heading upstate to record *I'm In Your Mind Fuzz*. We can't recommend you go to Brooklyn just for Baby's All Right though...

Food & Drink

There are way too many options in NYC but stay away from the tourist traps in Times Square. Otherwise, just turn a block and you'll be able to find something good to eat. But always remember: Junior's cheesecake is overrated.

WELCOME TO The Stage at Suffolk Downs

August 19th, 2024

525 William F McClellan Hwy, Boston, MA, 02128

Venue Info & Tips

.....The venue at Suffolk Downs is situated on a former horse track and is primarily GA lawn. The only bathrooms are in the very back corner opposite the stage. As a newer venue, less information is known than usual. No reentry, no outside food, no bags larger than 14" x 14", but they will let you in with an empty water bottle.

Local Rundown

Parking at the venue is \$30 in advance; this is probably the cheapest parking you're finding in Boston. Otherwise, the subway or commuter trains are your friends as the Blue line Suffolk Down stop is directly by the venue. Weed is legal in Massachusetts.

Local Attractions

The venue isn't near anything special but Boston has a great deal of history that is free to tour and can be reached by subway for the day. The Freedom Trail is a memorable walk along the Boston Commons and other historic Boston sights. Faneuil Hall and Boston Public market are mainstay (if pricey) places with awesome food selection and shopping. Check out the Museum of Science and the Aquarium while you're down there too!

Otherwise, hangout in the Belle Isle Marsh Reservation off the Suffolk Downs Blue line stop or enjoy one of the Isle's many beaches. It will be a short jaunt over to the venue at show time.

@grey_locke_

Food & Drink

There's a shopping mall with basic fixings on the isle but the real food and drink is going to be in downtown Boston. Any cuisine imaginable is here and Boston specializes in its seafood at any price point.

The T stop at Wood island on the way back to the airport has a few spots open late with vegan options (La Shiva, Chinese Dragon).

WELCOME TO Thompson's Point

August 20th, 2024

Thompson's Point, Portland, ME, 04102

Venue Info & Tips

Thompson's Point is just that: a peninsula jutting out into the Atlantic Ocean from the coast of Portland. And lucky for you, Gizz is going to play a show there. Expect beautiful Maine views but be prepared for the unpredictable Maine weather and ocean winds. Outside food and beverage allowed: one sealed water bottle and one small soft side cooler; no reentry.

Local Rundown

Buy a parking pass ahead of time as parking is limited. Uber will be limited at the end of the show, so plan on knowing how to take the train or bus back to your location or risk paying for an expensive Uber at 1 AM.

Check out the International Cryptozoology Museum for info on the Loch Ness Monster, Bigfoot, and Han-Tyumi. If you want to do something specific, locals recommend coming prepared with tickets and reservations ahead of time: August is peak tourist season in Maine.

August is also peak whale season, and you're not likely to have a better chance to take a whale-watching tour than in Portland. Be sure to check out the Old Port area downtown for food, stores and attractions like whale watching.

Food & Drink

Bissell Brothers Brewing, Portland Zoo (the bar), Allagash Brewing is worth the drive. Vegan: Green Elephant, Boda, and many other Asian restaurants downtown.

Lobster can be found just about anywhere and is in fact delicious but pricey. Try a Lobstah Roll before you leave: you won't regret it.

WELCOME TO The Budweiser Stage

August 21st, 2024

909 Lake Shore Blvd W, Toronto, ON, M6K 3L3

Venue Info & Tips

A large arena, The Budweiser Stage has multiple tiers and rows of seating. Permitted: homemade food wrapped in plastic, blankets, low profile lawn chairs, only small collapsible umbrellas, one sealed plastic bottle of water, plastic refillable water bottles and non-professional cameras (point & shoots, disposables).

Local Rundown

Official venue parking is limited. Use public transportation (TTC) and it's a short walk from the nearest stop to the venue. The drinking age in Canada is 19 and weed is widely available recreationally.

August 23rd, 2024

Venue Info & Tips

Welcome to the first acoustic show of tour! This aptly named amphitheatre has covered pavilion seating with an uncovered GA lawn. Wristlets or clear bag no bigger than 12" x 6" x 12" inches are allowed. [Venue website](#) states no outside food or drink, so I'll assume that includes water. Venue FAQ mentions nothing about prohibiting recording devices (or cameras). Unclear if reentry is allowed.

WELCOME TO Jacobs Pavilion

August 24th, 2024

014 Sycamore St, Cleveland, OH 441132

Venue Info & Tips

A semi-covered outdoor amphitheater located on the banks of the Cuyahoga River in downtown Cleveland, Jacobs Pavilion offers AXS digital tickets for GA pit, reserved box/bleacher seats, and GA bleacher seating for approx. 4,600 people (Gizz's largest show in Cleveland). No re-entry and No poster tubes. Savvy fans will grab a kayak and hitch up in the river outside the venue or listen to soundcheck at the Superior Viaduct

Local Rundown

Ohio is 420 friendly, but at the moment you can only obtain weed from a few dispensaries (\$\$\$).

Drivers beware: New law lets cops pull you over for "more than one swipe" on a phone while driving.

Parking in the Flats near the venue will go fast: find a garage with parking all day and commit early.

Ohio City and Lakewood are great for shopping, art galleries, and LGBT-friendly spaces to hang out.

Cuyahoga Valley National Park is a haul at 45 minutes south but when else are you going to cross it off your list? There are some amazing waterfalls and historic sites to check out.

Museums in University Circle are about 20 minutes from the venue but house two free world-class art museums, a natural history museum with live animals, and botanical gardens with Arboretum.

Tina's Nite Club hosts karaoke late:
if we got enough Gizz fans we can takeover.

Food & Drink

West Side Market is a wonderful food market a mile from the venue with stalls from all around the world and for every dietary restriction.

Visit Happy Dog to see the tiny stage where they somehow fit two drummers and enjoy the "Ohio Burrito Bowl" with build your own hot dogs and tots (vegan dogs available).

Noble Beast Brewing has you covered for boujee but affordable food and brews.

WELCOME TO

Megacorp Pavilion

August 25th, 2024

101 W 4th St, Newport, KY, 41071

Venue Info & Tips

Described as similar to Chicago's Salt Shed, Gizz will be playing the venue's outdoor stage. Pit is concrete, lawn is astroturf (watch for butterflies!) No backpacks. 14" x 14" totes are cool, as are small bags (5" x 8"), with or without handle. Unclear on tubes. Venue is cashless! No outside food or bev. No mention of drinking water on website. Security has a shitty reputation. Merch at other concerts has been located stage left near the entrance. Professional cameras (detachable lens) and recording devices are listed as prohibited, some artists may allow it. No reentry.

Local Rundown

There is parking available directly below the venue (typically \$20) as well as along nearby streets and in nearby pay lots. Locals say the immediate area is traffic-prone and suggest parking just outside of the downtown Newport area or in Cincinnati, a short walk across the Purple People Bridge.

For beer: Schlafly, Urban Chestnut, and 4 Hands. Best BBQ: Pappy's, Salt and Smoke, and Sugarfire. Annie Gunn's Steakhouse is famous and expensive. Visit the Pan-Asia Supermarket for the best fried rice in town. Saffron Indian Cuisine (lamb curry!) and Sedara Sweets (baklava!) For classic thin-crust pizza, do Imo's. 30 minutes away you have the city of Portland. For hiking check out Forest Park and Columbia River. Good shopping and dining in the city can be found on Belmont, Hawthorne, and Alberta.

Be sure to hit world-famous Powell's bookstore.

This sounds like something not to be missed: "The swifts at Chapman Elementary. Thousands of birds will fly into the chimney at sunset during the month of September during migration. I swear it's amazing. It will feel like a KGLW concert there will be so many people on the lawn watching."

Food & Drink

For bars, look into Radio Room, Gold Dust Meridian, A Roadside Attraction; Dive bars: Landmark Saloon, The Standard, and Swift Lounge. Food: Harlow (vegetarian), The Hazel Room (Brunch), Hunnymilk (brunch), Luc Lac (Vietnamese), Katchka ("\$\$\$ Russian but so kitschy and fun"), Ranch/Bearlick for pizza and beer, Lovelies Pizza (one of the best!), Red Sauce Pizza, The Veggie Grill, and The People's Pig or Miss Delta's (BBQ and Southern). If you happen to be gluten-free and enjoy (or miss) beer, be sure to check out Groundbreaker. Amazing GF beer and good food, too (GF, naturally). As for vegan places, check out Boxcar Pizza, Dirty Lettuce, Feel Good PDX, Boneless, and Off the Griddle.

100 N Renfrew St, Vancouver, BC V5K 4W3, Canada

Venue Info & Tips

Locals inform us that there is plenty of space at this venue. They also stress to avoid the indoor amusement park called Playland for unstated reasons. Website states that "bottles, cups, jugs or cans of any kind" are prohibited. Water and tube rules unclear. Small bags are allowed, based on anecdotes from past attendees. Venue says audio and video recording equipment is prohibited. No reentry.

Local Rundown

Venue website states that they have ample parking at varying price points, however locals recommend taking one of the frequent buses to and from the venue. Weed is legal and can be purchased for 50% off at government stores. Mushrooms appear to be "semi-legal", with Zoomers and Woodstock being two recommended shops. **DON'T FORGET YOUR PASSPORT!**

Local Attractions

Nearby the venue are some excellent parks and green spaces. New Brighton park has beautiful views of the sea.

Further away from the venue to the West is downtown Vancouver with Science World, the Vancouver seawall, and more to explore.

Or find your way up to Lynn Canyon in North Vancouver. You'll find a suspension bridge, a dam, and good hiking.

Food & Drink

Excellent Thai and Vietnamese food can be found just west of the venue. Locals recommend anywhere with a "sun-bleached sign." For the best Vietnamese grub of your life, hit Phnom Penh. A quick internet search reveals that many if not most restaurants in Vancouver feature vegan options. Bloggers consider it to be the most vegan-friendly city in Canada.

Venue Info & Tips

You can bring in a clear bag no bigger than 12" x 6" x 12" and small clutch bags, 6" x 9" max. An empty water bottle OR up to 1-gallon factory-sealed water is good to go. You can also bring in food (must be in a clear 1-gallon ziploc). Poster tubes were allowed in the past (Phish '18) but policy may have changed (website unclear). Venue website's recording policy is surprisingly unclear, although they do prohibit cameras with detachable lenses. Merch stand will be on your way in. No reentry.

Local Rundown

Security at the gate can be brutal. Even though weed is legal here, they will take your shit so plan accordingly. Cashless venue! Parking will be next to your campsite!

Local Attractions

Party at your campsite. Party at a friend's campsite. Make friends with strangers and invite them to party at your campsite.

There's some decent rock climbing spots nearby and swimming in the Columbia River if you're staying offsite.

Wenatchee is a nearby small city tucked away in the mountains with lots of shopping and bars.

Take a minute at the crest of the hill to soak up the lysergic vista. It can get blazing hot during the day and quite chilly at night. Bring layers.

Food & Drink

Be sure to hit Sage Cafe "off the highway, next to the gas station." The bagel sammies from this unassuming establishment are spoken of highly. Unclear if any of the concessions offer vegan fare and local cuisine looks iffy.
